

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant (s): George et al.

Serial No.: Unknown

Group Art Unit: Unknown

Filed: December 9, 2003

Examiner: Unknown

For: NANOCOATED PRIMARY PARTICLES AND METHOD FOR THEIR  
MANUFACTURE (as amended)

Hon. Commissioner of Patents & Trademarks  
Washington, D.C. 20231

Sir:

INFORMATION DISCLOSURE STATEMENT

Pursuant to Applicant's duty of disclosure under 37 CFR §1.56, the Examiner's attention is directed to the information identified in the attached Form PTO 1449. A copy of all cited patents and printed publications is enclosed.

☒ This paper is being filed before the latest of (a) three months after the filing date (if a national application), (b) three months after the date of entry of the national stage (if an international application or (c) before the date of mailing of the first action on the merits.

☐ Each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart application not more than three months prior to the filing of this information disclosure statement.

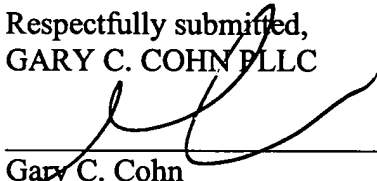

☐ No item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign

application, and, to the knowledge of the undersigned, no item of information contained in this information disclosure statement was known to any individual designated in 37 CFR §1.56(c) more than three months prior to the filing of this information disclosure statement.

- ☐ The fee set forth in 37 CFR §1.17(p) is enclosed.
- ☐ A petition requesting consideration of this information disclosure statement is enclosed.
- ☐ The petition fee set forth in 37 CFR §1.17(i) is enclosed.

The Examiner is requested to review each reference and formulate his or her own understanding thereof.

Respectfully submitted,  
GARY C. COHN PLLC
